Ben,

See the question through the request line. We can discuss but assume the "dirty bomb" scenario has been previously addressed in the old Q&A somewhere and can follow up with the requestor.

Thanks,

Brad,

This e-mail came thru our PIC Line a few minutes ago in reference to the Westlake Landfill. I didn't know if you could answer this request? If this doesn't go to you, please FORWARD to the appropriate person who can answer or direct this request. I appreciate any help on this!

I live roughly 10 miles from the WestLake Landfill site. In the event of a worst-case scenario (such as the 'dirty bomb' scenario) what would be the likely risk to people in my local area?
